Ref Number: 88-DMU/CIR/2020/87
Date: 17th December 2020
To: All Tourist Facilities
Subject: Declaration form for Split-stays

Dear Sir/Madam,

Reference is made to our circular number 88-DMU/CIR/2020/58 dated 31st August 2020, regarding the procedures for tourist travel movement between inter-tourist facilities.

To further ease the process of tourist travel movement between inter-tourist facilities, all tourist facilities are henceforth required to submit the attached "Declaration form for Tourist travel movement between Tourist Facilities".

This is a one-off signed declaration made between the two tourist facilities for split-stays, after which the "Annex-5" form of "Public Health Interventions to prevent COVID-19 Transmission in the Tourism Sector" will have to be filled and e-mailed to the Ministry, to splitstays@tourism.gov.mv for documentation. It is mandatory for all tourist facilities to maintain these forms and updated logs of split-stays relevant to their respective facility. Once the form is dispatched no additional approval is required.

However, please note that any movements cannot be done to/from tourist facilities that have an "ongoing contact tracing status" and/or an "ongoing transmission" status. The updated status of all tourist facilities can be viewed on the link below:

<https://www.tourism.gov.mv/en/faq>

Any violation of the terms and conditions pertaining to tourists split stays may lead to immediate suspension of split stay movement to and from the respective tourist facility; and temporary suspension of the "Approval to re-start tourism in Maldives" letter issued

We thank you all for your continued support & cooperation during this challenging time and request all tourist facilities to adhere to the procedures and guidelines announced by the Ministry and HPA.

Yours sincerely,

Ali Razzan

Senior Executive Director
