Circular No: 88-QARS/CIR/2021/45
Date: 16th May 2021
To: Tourist Resorts
Subject: Covid-19 Vaccination Program / Badge Collection

Dear Sir/Madam,

We are pleased to inform that with your support we have been able to carry out the Covid-19 Vaccination programme successfully across the tourism industry, with over 39,000 staff given the first dose and over 20,000 staff given the 2nd dose in the resorts.

To further promote the Maldives as a safe destination, with the support of Maldives Marketing and Public Relations Corporation (MMPRC), Ministry plans to distribute "I AM VACCINATED" badges for the tourism industry guest contact team who has completed the second dose of vaccine. In this regard, we will be providing the badges for 55% of the staff.

Hence, we request tourist facilities to collect these badges from the Ministry of Tourism (5th Floor, Velaanaage Building) from 16th to 20th May 2021 between 10am to 12pm. Please contact Mr. Ahmed Abeer Ismail, Assistant Director (7966634) for badge collection.

We thank you for your continuous support and engagement.

Yours sincerely,

Assad Riza
Deputy Minister
