Subject: *Facilitating Jobs in the Tourism Sector for Persons with Disabilities*

Dear Sir / Madam,

Greetings from the Ministry of Tourism!

Under the Government's Pledge to empower Persons with Disabilities (PWDs), the Ministry of Social and Family Development is implementing a policy to facilitate individuals with disabilities to be provided with equal opportunities in society, especially through employment.

To achieve this objective, the Ministry is gathering information on existing opportunities/vacancies at tourism establishments that could be suitable for PWDs. Hence, your valuable input will be crucial in identifying potential employment matches for PWDs seeking opportunities in tourism.

Please share details of any existing vacancies that could be suitable for PWDs through the following link by **March 28th, 2024 (11:00 AM)**: <https://forms.gle/xKAXnvWBLVMu1LSJ9>.

Should you require any clarification regarding this initiative, please do not hesitate to contact us at +960 3022250 or email iihr@tourism.gov.mv.

Thank you for your continued support of the Maldivian tourism industry and your contribution to promoting inclusivity for PWDs.

Yours Sincerely,

Ahmed Nazim Mohamed
Minister of State
