Terms of Service:

eFaas Terms of Service

1. Your relationship with eFaas

1.1 Your use of eFaas's products, software, services and web sites (referred to collectively as the "Services" in this document and excluding any services provided to you by eFaas under a separate written agreement) is subject to the Terms of Service of eFaas. This document applies to the following services:

I accept the Terms of Service

3. Select "Work Permit Holder"

4. Fill up the form and click to "Submit Application"

Once the application is submitted an activation code will be sent via an SMS to the mobile number that was specified while account registration.

The screenshot shows the eFaas Account Registration page. On the left, there is a login section with fields for Username and Password, and a Log In button. Below the login section, there are links for "Register if you don't have an account.", "Forgot Password", and "Enter SMS Activation Code". The main content area is titled "eFaas Account Registration" and features a green notification box with two checkmarks: "A SMS has been sent to your mobile phone with Activation Code." and "Please enter the SMS activation code below." Below this, the heading "Activate account using the SMS Activation Code" is followed by a form with a Username field (containing "WP00000000") and a Code field (containing "00000"). An "Activate" button is at the bottom of the form. A black arrow points from the text "5. Click to 'Activate'" to the "Activate" button.

5. Click to "Activate"

The screenshot shows the eFaas Account Registration page after the activation step. The notification box now contains three checkmarks: "An email has been sent to your email account.", "Your mobile has been verified.", and "Your account will be activated once you also verify email". The "Activate" button is no longer visible. A black arrow points from the text "6. Login to your registered email and click to activate your account" to the notification box.

6. Login to your registered email and click to activate your account

Once your eFaas account is activated via both mobile and email, please attempt to access below address;

<http://citizen.egov.mv/tourism>

The screenshot shows the login interface for the eFaas system. At the top left, there is a logo featuring the Maldivian flag and a palm tree, followed by the text "www.egov.mv" and "government". Below this, there are two tabs: "Citizen's" and "Business". The main content area is titled "Tourism Home" and "Welcome to Tourism Online". On the left side, there is a login form with the following fields and buttons:

- Login with your eFaas** (header)
- Username**: Input field containing "WP000000000"
- Password**: Input field containing "....."
- Log In** button
- [Register if you don't have an account.](#)
- [Forgot Password](#)
- [Enter SMS Activation Code](#)

Thank you
